The school uses the Pupil Development Grant (£6,900) to employ support staff to help promote the Literacy and Numeracy skills of specific pupils. Our aim is to ensure that individuals take full advantage of the educational and social experiences available at the school.

In partnership with the Parents Teachers Association, the school contributes money to ensure that individuals have the opportunity to participate in educational visits such as residential centres and watching performances by artists and drama companies in the school and beyond. The school also ensures free music instrument tuition of all eligible children.
